WORK EXPERIENCE

Chisel Productions Pty Ltd

Mar. 2021 – Mar. 2024

Web Developer

- Chisel Productions is an independent creative production company creating video production/digital.
 - Website: [Chisel Productions](#)
- As a Web Developer, I worked on the development of a number of marketing, personal and e-commerce sites utilizing technologies such as HTML, CSS/SASS, PHP and Javascript/JQuery.
- Created accessible, functional and responsive user interfaces with complete desktop to mobile support.
- Created robust CMS using Wordpress and custom themes to allow clients maximum flexibility in managing their sites.
- Throughout the development cycle I used a number of additional technologies to assist such as Figma for designs and Monday for management.
- Contact: Steve Castrisos (0432079227) steve@chisel.productions

Freelance Work

Mar. 2024 - Present

Web Developer

Remote

- Working with a number of clients to provide custom built marketing and E-Commerce sites with intuitive content management systems.
- Maintained and developed upon existing projects provided by clients, including additional content and bug fixing.
- Partner Agency: [Bandit Design Group](#)
